World Education Services is pleased to provide you with the enclosed credential evaluation report (Reference No: 6315801).

A WES evaluation report reflects our expertise in international education systems and our best judgment of your academic qualifications. WES evaluates formal academic qualifications (degrees, diplomas, certificates and transcripts) awarded by secondary and post-secondary institutions. WES does not evaluate trade, occupational or industrial qualifications therefore they are not included in our evaluation reports.

Your evaluation report is stored and available for future use.

To order duplicate reports visit:

Please send your questions to customer services at wes.org/contact-us. All inquiries must be submitted in writing. To protect your privacy, WES staff cannot discuss evaluations over the telephone.

We thank you for choosing WES for your credential evaluation.

Sincerely,
World Education Services

Your WES evaluation report has also been sent to the recipient(s) listed below. Copies of verified academic records used in the evaluation are also sent to academic institution recipients.
